Dear Mr. Maloney,

Your company appears to be hosting copyrighted images belonging to my company. I have attached a number of images that you need to remove. Every image of a model in the attached Adobe file is copyrighted by my company. I have in some cases placed next to the infringing image, the URL of that image on Perfect 10's website. Please provide me with the names, addresses, email addresses, and telephone numbers of the individuals who have posted the attached images.

Most if not all of the images in this notice appear on perfect10.com. Please let me know if you would like a complimentary username and password. Perfect 10 has exclusive rights to all of the images identified in this notice. Under no circumstances is anyone other than Perfect 10 allowed to make copies of such images of any size, or place ads around such images. Please remove all such images from your servers, and keep them off. Please also remove all images from your servers that display Perfect 10 copyright notices.

I swear under penalty of perjury that a) I have a good faith belief that the use of the copyrighted material in the manner complained of in this notice is not authorized by the copyright holder Perfect 10, Inc., its agent, or the law, b) that the information in this notification is accurate, to the best of my knowledge, and c) that I am authorized to act on behalf of the owner of the exclusive rights in the material which is being infringed.

Please contact me if you have any questions about this notice.

Me- 40's male. Endlessly fascinated by all things sexual. Some reblogs, some concealed friends, some might include me (you'll have to ask which ones). I'm relatively normal in all respects, I just have a penchant for erotic photography- ranging from subline to rather naughty.

If you are underage please wait until your prefrontal cortex is more fully formed before you return.

I'm happy to post pics you send me (provided I like them). You can reach me at twotootango at hotmail Please put 22tango in subject line, that way I know it isn't spam
